

# Sutton

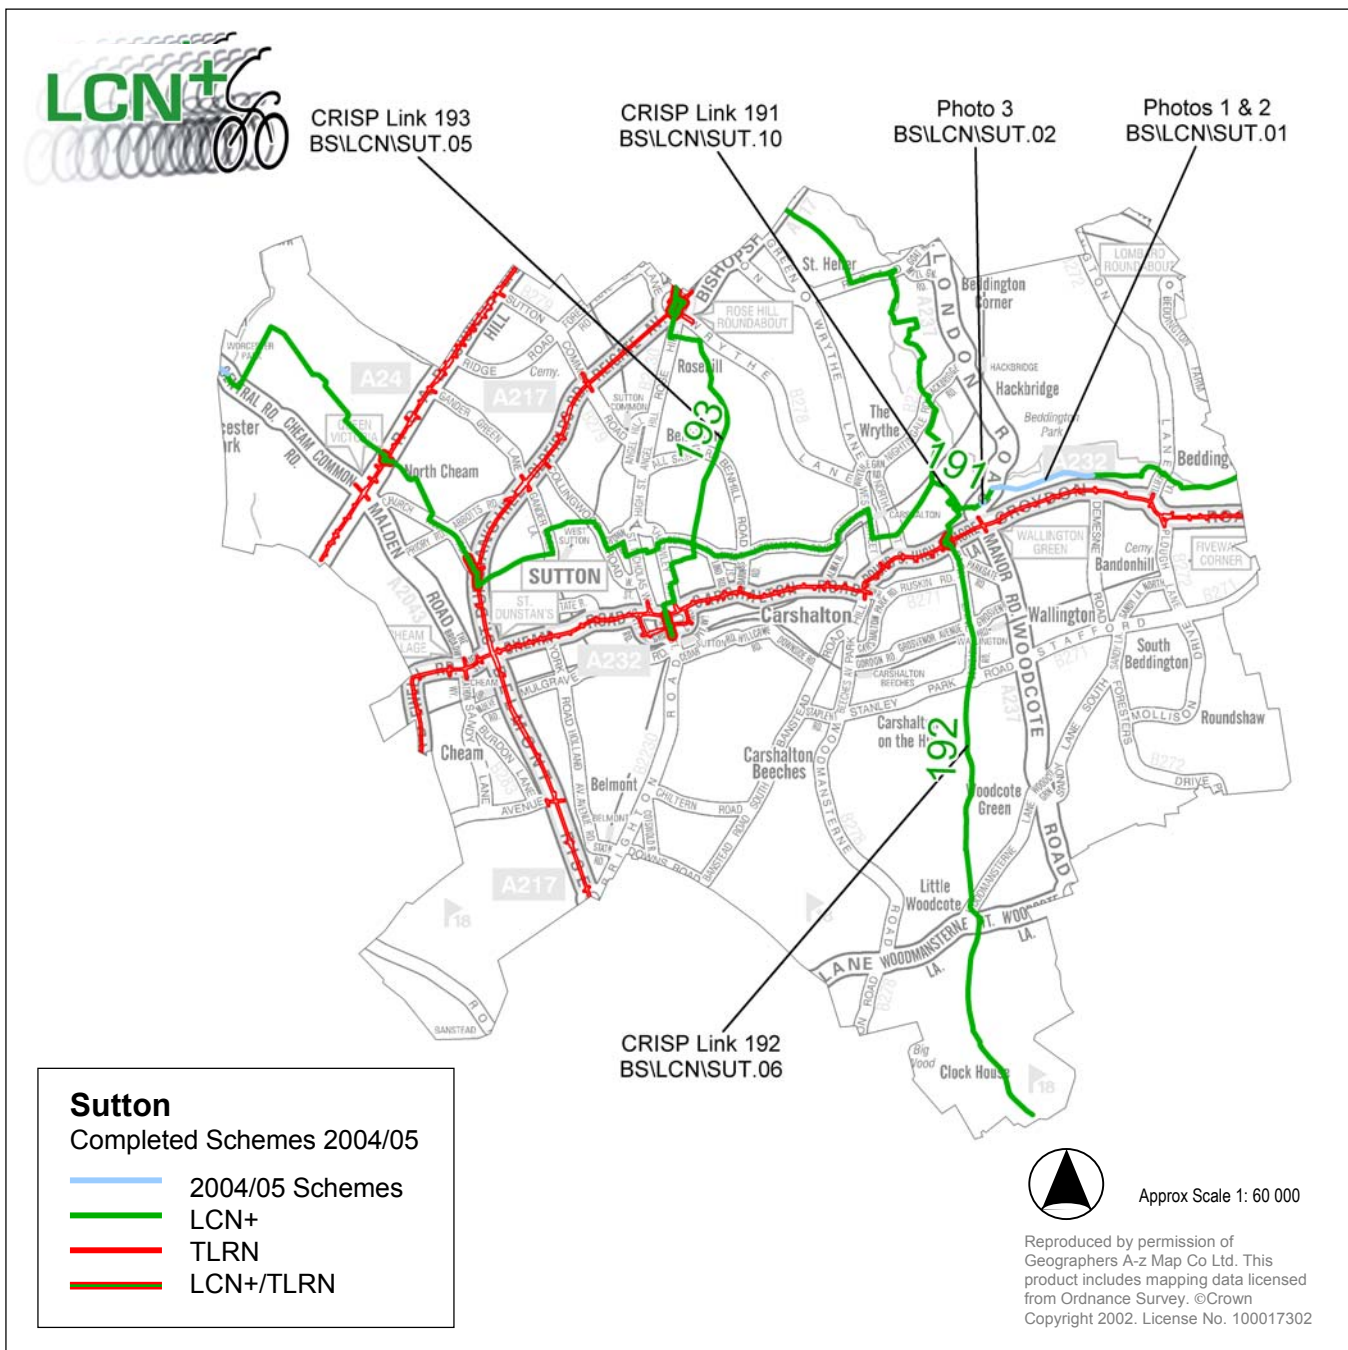

## Manager Strategic Projects **Colin Poore**

I have worked for the L.B. Sutton since September 2004 and have a background in highways and traffic management.

Currently 2% of all journeys made in L.B. Sutton are by bicycle. The borough has active local cycling clubs, including the CTC. They are keen to promote improvements that will further encourage cycling in the L.B. Sutton.

The main obstacle to the delivery of cycle schemes in 2004/05 was objections to the conversion of footpaths through parkland. This was overcome through negotiation and compromise.

Over the years work has been carried out to complete the existing network. Having finalised CRISP studies on the three links in our borough this has resulted in route changes so that completion has now fallen to approximately 70%.

▼ ◀ **Scheme Photo 1, 2**

**Scheme Code:** BS\LCN\SUT.01

**Link Number:** 191

**Location:** Beddington Park - East/West route

**Description:** Segregated Cycle Track through Beddington Park and associated lighting. Connects traffic free towards Croydon and Carshalton

**Cost:** £240 000 **Length:** 0.87km

▶ **Scheme Photo 3**

**Scheme Code:** BS\LCN\SUT.02

**Link Number:** 191

**Location:** London Road junction with Quinton Close

**Description:** Improvements to approach for informal crossing. Includes cycle track and buildout to improve access

**Cost:** £10 000 **Length:** 0.03km

**Scheme Code:** BS\LCN\SUT.09

**Link Number:** 192

**Location:** n/a

**Description:** Liaison fees with Sustrans to investigate suitable feeder routes for nearby trip generators

**Cost:** £500 **Length:** 11.88km

**Scheme Code:** BS\LCN\SUT.04

**Link Number:** 193 (Spur)

**Location:** B2230 Rose Hill to St Nicholas Way

**Description:** Feasibility of main road as direct route to Sutton town centre

**Cost:** £3 000

**Scheme Code:** BS\LCN\SUT.07

**Link Number:** 193

**Location:** Oakhill Road junction with Benhill Wood Rd

**Description:** Feasibility of junction only

**Cost:** £500 **Length:** 0.01km

**CRISP** BS\LCN\SUT.05

**Link Number:** 193

**CRIM undertaken:** 23.9.04

**Final CRISP report:** End of July 2005

**Cost:** £7 000 **Length:** 3.65km

**CRISP** BS\LCN\SUT.06

**Link Number:** 192

**CRIM undertaken:** 24.8.04

**Final CRISP report:** End of August 2005

**Cost:** £14 000 **Length:** 9.23km

**CRISP** BS\LCN\SUT.10

**Link Number:** 191

**CRIM undertaken:** 19.4.04

**Final CRISP report:** End of August 2005

**Cost:** £14 000 **Length:** 10km
